

Blooming Butterflies

Designed by Jennifer Bosworth

Teacher Sandra Jacobs

Supply List

Pattern Blooming Butterflies by Jennifer Bosworth

1 5/8 yd for background and pieced outer border

Various scraps of colorful fabric for the appliqué

¼ yd green for inner border

58 4" x 4" squares for prairie points. I used the same fabrics that I used for the appliqué.

3 yds for backing

5/8 yd for binding

2 yds fusible (this is really more than you need, but I like to be on the safe side). I use Heat n Bond Lite or Pellon 805, they work equally well.

Sewing machine in good working order that you know how to use. Bring the manual just in case.

Basic sewing supplies

Pre-Class

Cutting

Background-33" x wof for main body

5- 3 ½ inch strips for outer border

Green for inner border-4- 2 ½ in strips

Trace appliqué shapes onto fusible web. Some of the stems and leaves are directional and should be reversed. I did not reverse mine and it did not make a difference.
