## Fabrics (plus pre-class cutting and sewing)

3 yards neutral background, solid or almost solid.

- a. Cut eight 8"x42" strips from background. Then cut into thirty-six 8" squares. Cut each square diagonally to make 72 triangles.
- b. Cut two 12 ½" x 42" strips. Cut into thirty-two 1 1/2" x 12 ½" background strips.

Leaves—Choose one or two colors for leaves and an assortment of fabrics in these colors. If you choose green, your green fabrics should all be similar greens, not lights, mediums, and darks. Per leaf, you need four 2 ¼" x 13" assorted strips. That equals to 144 2 ¼"x 13" assorted strips for the 72x60 quilt. If you want two colors of leaves like mine you will need 48 strips of one color and 96 strips of the other color.

Sewing—Take four assorted 2 ¼"x13" strips of one color and sew together to make one strip set measuring 7 ½"x 13". Press seams in one direction. Square to 7"x12". Repeat with remaining strips to make thirty-six 7"x12" strip sets.

1/4 yard for stem
