Instructions for Piecing Half Square Triangles

- On all green 3¼" x 3¼" squares, draw one diagonal line on wrong side of fabric from one corner to opposite corner. Pair up a green 3¼" x 3¼" with a black 3¼" x 3¼" fabric square. Right sides together. Position green fabric square on top.
- Sew a ¼" seam on each side of drawn line. Repeat with all paired sets. Cut blocks on drawn line. Open and press. Square to 2¾" x 2¾". Make (100) HST.

I'm so looking forward to seeing you at the party!
